

Metalight Industries LLC Five Year Limited Warranty

Metalight Industries LLC, under its limited warranty, guarantees that this product is free from defects in materials and workmanship for a period of five years from the date of purchase with the exception of glass and light bulbs, which are not covered under this warranty.

If a claim is submitted under this warranty, Metalight Industries LLC will review such claim and, at its sole option, will either repair or replace the defective product or refund the original purchase price. If the product is replaced or repaired then the original remaining warranty period will cover the replaced or repaired product. The customer's sole remedy will be the repair or replacement of the said product if it is shown to be defective.

The Metalight Industries LLC limited warranty does not cover any labor costs. Metalight Industries LLC will not be obligated or be liable for labor or other costs related to installation, repair or third party materials or contract labor. Metalight Industries LLC's total liability is limited to the cost of the purchased product.

Metalight Industries LLC products are manufactured according to the highest standards of quality. The products are made from the highest quality materials available by experienced craftsman. These materials by their nature and through the crafting process can display, in the finished product, small surface indentations and imperfections. Metalight Industries LLC packaging protects the fixtures against damage in transit; however, the small imperfections as described above will not be considered a defect and will not lead to a replacement under warranty.

Finishes for products installed outdoors, especially in coastal areas, are subject to discoloring due to prolonged exposure to sunlight, airborne elements, pollution, and other forms of weathering and will not constitute a claim for warranty.

Metalight Industries LLC products need to be installed by a licensed electrician. Any product that has been tampered with, modified, improperly installed, overloaded, painted, or otherwise abused, will have the warranty voided.

An original receipt must accompany all claims. In no case shall our warranty extend to anyone other than the original purchaser. This warranty is not transferable.
