

NEWS RELEASE

APRIL 10, 2009

Matt Yildizlar, President of Metalight Industries LLC, announced that the company will be investing in new moulds for a collection of new interior table top lamps.

The company is known for its high quality of outdoor fixtures and entered the interior light fixture market with upscale wall and ceiling mount fixtures in 2008.

“We are now entering the table top lamps market as we feel this will increase our revenues in the next couple of years” said Mr. Yildizlar
