

## NEWS RELEASE

SEPTEMBER 11, 2009

Matt Yildizlar, President of Metalight Industries LLC announced that the company signed its' first private label program agreement with Frederick Cooper, based in Chicago, Illinois. Metalight designed, developed and manufactured the Sea Shell Collection exclusively for Frederick Cooper who will be presenting the collection to buyers at the High Point N.C. trade show in mid-October.

Mr. Yildizlar says "We are delighted to become an exclusive supplier to Frederick Cooper, a company with a history and tremendous quality product selection. This shows that our products are made of superior quality and can match the demands of a company like Frederick Cooper".

The Sea Shell Collection will be available through the fine stores where Frederick Cooper light fixtures are sold throughout the country following the High Point show. For more information please visit [www.FrederickCooper.com](http://www.FrederickCooper.com).
