

NEWS RELEASE

OCTOBER 23, 2009

Metalight Industries LLC announced today that the company signed a private label program agreement with Connecticut Lighting Centers, a major retailer & distributor of light fixtures based in Hartford, Connecticut. Under the agreement, Metalight will develop and manufacture outdoor light fixtures for CLC's in-store brand.

In addition, CLC has been appointed as the exclusive distributor of Metalight branded fixtures to the trade in New England, covering the states of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

CLC is a premier distributor in the region supplying quality fixtures to many commercial projects not only in the New England states but also in other parts of the country. Victor Baruh, Vice President of Metalight, acknowledged that this is a very important partnership between the two companies. "The experience of Metalight in manufacturing high quality outdoor fixtures combined with the strength of CLC's in sales and customer service will make it a very successful partnership" said Mr. Baruh.

A 600series fixture that will be available under CLC's own label program.
